**Diamond Bar High School Chinese American Parents Association (CAPA)** is a non-profit organization. Our goal is to provide assistance to Chinese American students and parents and to promote communications among students, parents and the school. We also sponsor/provide seminars in various Education or Family Living related topics. Every year, CAPA donates a large amount of money to support school facilities and activities. *The \$20,000 school computer system memory upgrade in 2008, the \$12,000 flat panel monitors for all computer labs in 2007, the audio/visual system in School Theater, the projection system in Golden Horseshoe, and CAPA Scholarships are some of the recent examples of CAPA donations.*

In order to raise funds to support our programs and services to the school community, we are accepting sponsors for our website. CAPA website (<http://dbcapa.org>) is a highly visible and popular Internet service site. There are more than 19,000 hits since its inception a little more than a year ago. To help our school and kids with your **tax-deductible donation** (our “non-profit” Federal Tax ID #95-4803421 / California ID #9800893), you can also promote your business to the Diamond Bar community, putting your logo/link on our website is a highly cost-effective way to invest your money. **If you don't plan to promote your business, we will be very happy to accept your generous donation of any amount, and put your name on our website to honor your kindness.**

Our low **annual** fees are as follows:

Upper Half - \$800
Lower Half- \$600
